**ATTACHMENT A**

**AFFIDAVIT IN SUPPORT OF SEARCH WARRANT**

I, Bryce S. Husak, Postal Inspector, U.S. Postal Inspection Service, after being duly sworn on oath, do depose and state as follows:

1. I have been a duly authorized Postal Inspector of the U.S. Postal Inspection Service since September, 2016. From March of 2014 through September 2016, I was a Special Agent with the United States Postal Service Office of Inspector General. From October 2009 through March 2014, I was a Special Agent with the United States Secret Service. I have participated in numerous search warrants of packages and structures suspected of containing narcotics and records of drug dealing and controlled substances.

2. This affidavit is in support of a search warrant for an Express Mail package, tracking number EM046797042US, addressed to "Twitch Gamer, 1410 north eddy st, grand island, NE 68801", with a return address of "Victor, Lopez, 6312 west maryland, Glendale, AZ 85301" and bears \$59.10 in postage. The package is a brown small box measuring 14 inches by 14 inches by 14 inches weighing 5 pounds, 6 ounces. It was mailed on November 14, 2017, from Glendale, AZ 85302. This package is currently in the possession of your affiant at the Postal Inspection Service office in Omaha, Nebraska.

3. A nationwide investigation by the United States Postal Inspection Service (USPIS) disclosed that drug traffickers are regularly using Express Mail Service and Priority Mail Service to send controlled substances to destinations throughout the United States. The investigation also revealed that drug traffickers regularly use Express Mail and Priority Mail to

send funds back for the purchase of additional narcotics. The funds are usually in the form of U.S. currency, although the money is sometimes laundered through the use of U.S. Postal Money Orders. The investigation identified the common characteristics among the Express Mail and Priority Mail Packages that contained controlled substances or the proceeds from the sale of or for the purchase of controlled substances. The state of Arizona was identified as one of nine source drug areas from which narcotics would be shipped via Express Mail or Priority Mail to various other U.S. locations and to which the funds for the purchase of the narcotics would be sent back by Express Mail or Priority Mail. The investigation revealed common characteristics among the mailing labels themselves. These investigations further revealed a commonality of illegal narcotics packages bore hand-written labels from an individual to an individual. A significant indicator is a fictitious or no return address, a vacant house as a return address or a mailer who is not known at the return address. A drug interdiction program was subsequently established by the Postal Inspection Service.

4. The Express Mail package for which this warrant is sought was initially discovered at the Omaha Processing and Distribution Center, 1124 Pacific Street, Omaha, NE 68108 during a routine interdiction by Postal Inspector Bryce Husak on November 15, 2017, at approximately 7:30 a.m.

5. This Express Mail package was found to contain several characteristics fitting the drug and drug money profile described above. This package is from the state of Arizona, a known drug source area. This package bore a handwritten label from an individual to an individual. A search of postal records and records from a national law enforcement search database showed the sender name "Victor Lopez" is not associated with the return address.

According to postal and national search databases, the intended recipient name “Twitch Gamer” is not known at the address listed on the label.

6. On November 15, 2017, Douglas County Sheriff’s Department K9 ‘Chet’ was employed to determine the presence of an odor of narcotics emanating from the parcel. Chet is a drug-sniffing German Shepard used by the Douglas County Sheriff’s Department. Chet’s handler is Deputy Dave Wintle. Deputy Wintle advised that Chet is certified in the detection of marijuana, cocaine, heroin and methamphetamine as well as any derivatives of these narcotics. Chet was last certified January 18, 2017, and has worked with Deputy Wintle since December 2014.

7. On November 15, 2017, at 08:25 a.m., the Express Mail package described in this Affidavit was presented to Chet by his handler, Deputy Wintle. The package was placed in a hallway at the Postal Inspection Service Office in Omaha, Nebraska, with an additional three (3) clean or “blank” parcels. Chet demonstrated particular attention and sat directly in front of the parcel described in this affidavit, which Deputy Wintle advised was an indication to the presence of narcotics or money that has been contaminated with narcotics.

8. Based on the facts set forth in this affidavit, your affiant submits there is probable cause to believe that a controlled substance, or the proceeds from the sale of or for the purchase of controlled substances, are concealed in the aforementioned package, and seeks a search warrant directing the search of the package described herein and seizure of the enclosed material relating

to the distribution of controlled substances. I declare under penalty of perjury that the foregoing is true and correct.
